A Journal of Duplicious  
Doings, Raw Power, and  
Naked Greed

Volume IV, #32

5 NOV 94

### NEW GAMES SOON!

Looks like "Revenge is Sweet", "1835-B", and "Kremlin" are rapidly approaching conclusions. "Magic Realm" is over, barring another protest. Bodkin (no longer a subscriber), Chinnery, Farrow, Klempatis, Morrison, and Zieske are primary for "Vengeance is Mine", our next 1830 offering, with Wordelmann, Hare, and Osborne anxiously awaiting in the wings. "1835-C" has Chinnery, Quist, Wordelmann, Zieske, Hare, and Fisher signed up. Only Puffenberger and Campisano are signed up for the next "Kremlin".

**ALTERNATE ALERT:** Randy Cox's chariot teams are up for grabs should he not send orders by next time. Lucrative odds on Lucious Luctus, and decent odds on R. Rebus await the lucky buyer. Applicant must pledge to bet on LL/RR to comply with Rule 26.1.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** A company wanting to plant a tree in Los Angeles County has to get permission from eight different agencies. To chop it down and make furniture from the timber requires 47 more permits. — *The Economist*

Word has arrived that Keith Sesler's *I Still Live* is folding due to imminent marriage and the evil influence of MAGIC: THE GATHERING. Bob Hartwig's *Orphan Son of the Podunk News*, is also closing up shop. Some of their KINGMAKER aspirants may end up here. On the brighter side, Tom Pesko is starting the *CDD Medical Journal*, where CDD translates to "Colonial Diplomacy Developmentitis" which refers to AH's new DIP variant that was highlighted at AvalonCon IV. Tom will be offering COLONIAL DIP, SILVERTON, CIV, ADV CIV, PAX BRITANNICA, and HISTORY OF THE WORLD. Subs are \$1/issue. See p 19 for Tom's address.

Whilst in Birmingham, AL for an American Chemical Society Meeting, Boris picked up a copy of MAHARAJA, so we'll be adding it to the list of future possible mayhem.

Looks like my e-mail address is being shortened to "bolduc@eglin.af.mil" starting Monday. Would imagine that the old address should work for awhile.

Snuck behind all the election coverage was the word that postage is being bumped 10% come the new year to 32¢. Ergo, Volume V is in the offing and so too new sub rates. Going to try to get Ms Nar to design the new volume too.

### BOOS & KUDOS

There will be no Madame Bolduc Press Excellence Award this month.

This month's Ms Nar Super-Sudsy Bomb goes to all who submitted misspellings in their press releases. "Please check your dictionaries!" saith the Mighty One.

# French Defiant! Austria Wounded? Spring 1910

1994RS

ERRATA: Russian A Pru-Ber did not fall last time

**WALL STREET JOURNAL**--France has again "wedged his beard" at the Austrian "knights", re-re-re-liberating SPA, but at the loss of MAR, probably POR, an army, and any hope to keep BRE French without (ugh!) English aid. On the other hand, Austrian A RUM was crushed totally by the intensity of the fierce Russian attack. Another British army has snuck onto the continent and is poised to...what? And the Austrian resistance, or plunder and loot the Continent before the Austrian "Rei" can be implemented with its incessant Strauss waltzes. Maybe someone should invent rock-and-roll 50 years before its time to energize the opposition!

## TROOP MOVEMENTS

Austria retreats A BER to MUN and A KIE oth. England builds A LON and F EDI; Russia tears A LVN.

## CLASSIFIEDS

We are trying for frog ala carte, gurney cart that is.

Rumor has it that Prez Rezzarday was romping with his mistress when word of the initial Austrian attacks came. "So what else is new," yawned M President. "They've wanted a piece of our arse since Marie Antoinette met Mdm Guillotine."

# YORK IN ITALY! Austria/Turkey at Standoff Spring 1905

# VII

# 1994-AT

**ERRATA:** France only needs to tear 1.

**MURKWOOD:** The usual halfhearted attempts by neighboring regimes to prop up the fallen French administration seem to be in evidence. These guys haven't got the faintest idea of what a democracy is, do they? Meanwhile, the Italian government has fallen (again), but now that a Texas-educated former police chief is in charge, "Who knows what God has up his sleeve?" Yeah, right, maybe even a Polish Pope. Look for this government to fall in a season or so.

## TROOP MOVEMENTS

French A MUN must retreat oth, or to BOH, BUR, or TRL.

Due next time are retreat and orders for Fall 1905. We have a new Italian player.

## EMBASSY BEAT

**BERLIN:** There are reports of French troops burning wineries along the Rhine and Mosel rivers as well as several breweries. Some of these ravagers were captured and admitted to the acts calling German brew as "not fit to wash Paris streets". The German army will be glad to personally deliver a large quantity to Paris and let French prisoners wash the streets!

**MOSCOW:** Either the phone system is out of order or the ambassadors aren't returning my calls for their secret reasons.

**PARIS:** Letter from the Prime Minister of France: "...Come trouble, come storm and tempest...we await your ultimate destruction with fury and vengeance..."

## BORIS WORLD PRESS REVIEW

**Previa (Moscow):** Sources report a political movement is mounting to gain a warm water port of some kind. Among the ports listed are Athens, Greece, Istanbul (name change suggested) or something on the Adriatic Sea.

## CLASSIFIEDS

Obviously pre-Prozac times were rather, well...depressing.

Sitting fights with someone who could be a friend could cause internal political problems for decades to come.

## BOLDHOME

### FALL 1904 Action

PRE sells 300 pounds, 500 lira, and 500 rubles, and 500 piasters then buys 2225 francs (\$44+300+570+595-1958 = \$1).

RVE sells 500 marks then buys 1000 francs (\$460+495-880 = \$75).

CLOWNS sell 500 piasters and 500 crowns and buy 1000 rubles (\$42+595+515-1140 = \$22).

## SPRING 1982

## 1984 AU

**CLIFFHOME**—Since all major politicians have left town in advance of any invasion, the rump Parliament empowered several famous French mystics to scry the future of France. Citing "transdimensional vibes" and the "right man in the wrong universe" arguments, they have chosen an obscure police dispatcher (who admittedly has Carolingian, Burgundian, Hannover, and Savoy bloodlines as well as plenty of Bourbon in his blood) as "Emergency King of France". The task facing him is daunting. He must placate the normally hostile English and Germans and neutralize the (normally Italo-centric) invading Italians. The Socialists are perplexed: to be patriotic or to be internationalist, with tendencies going 9:1 respectively. So much for the World Socialist Order.

### TROOP POSITIONS

Due next time are orders for French retreat and Fall 1982 only.

### EMBASSY BEAT

**BERLIN**: Outside agitators seeking to support rebels advocating separation of the German people and lands away from its rightful government have been indicted, more arrests to follow.

**MOSCOW**: Turkish risters in Sofia and troop movements close to the Rumanian border have necessitated the advance of Russian forces to the region to restore order. The southern fleet has been dispatched to the Turkish shore and other Russian forces in the area are maneuvering in support to contain Turkish aggression.

### BORIS WORLD PRESS REVIEW

**Chicago Sun-Times**: Government officials report that trade and mutual assistance talks invitations have been sent to the embassies of other countries. At best acknowledgement of receipt have been returned to the Kaiser's Office. Government officials remain hopeful and optimistic.

### CLASSIFIEDS

Turning plows into guns is like turning gold, diamond, and silver into lead, charcoal and glass.

## THEY'RE OFF!

M. Davidus: 21, whip(+5, -5 END) (-2\*) = 24. Ahead 24, slide out into Lane 8.  
 F. Maximus: 18, no whip (2\*) = 18. Ahead 15, slide in 1 to Lane 5.  
 R. Rebbus: NMR 18, no whip (-4\*) = 14. Ahead 14.  
 L. Lucius: NMR 18, no whip (-1\*) = 15. Ahead 15.  
 Sartorius: 19, whip(+3, -3 END) (-6\*) = 16.  
 A. Amazonae: 20, whip (+3, -3 END) (-8\*) = 17. Ahead 14, lash attack on Sartorius who breaks (8 vs 10+2, -2 END). Ahead 2.  
 M. Victoria: 21, no whip (-4\*) = 17. Ahead 8, in 1, ahead 2, in 1, ahead 1, in 1 ahead 3 to Lane 2.  
 Quintus: 20, whip(+3, -3 END) (-5\*) = 18. Ahead 10, in 1, ahead 5, in 1 to Lane 6.

\* = out of gate penalty

**NOTE:** In case I forgot to mention it, we're using Randy's own CM NMR rules, i.e. chariot moves max speed ahead, changes lanes only to avoid being blocked, and accepts all attacks. Note that L. Lucius, should he remain NMR, will take the 1st curve at 4 over in a turn or two.

Due next time are orders for Turn 2. These should include 1) written speed, 2) whether you will whip or not, 3) where you want to end the turn and where to go if you can't get there, 4) what to do in case of attack, 5) whom to attack and how, and 6) any conditional orders based on whatever might have happened before you take your turn. **ESPECIALLY IMPORTANT:** would you rather attack Ben Hur or end in Lane 4, 5, or 6? Press is encouraged.

## STELLAR CONQUEST

The games are presently awaiting:

FLESH GORDON--My adjudication of Turns 33-36.

SIMON WAGSTAFF--My adjudication of Turns 33-36.

Please expedite your orders. The time you save is only your own.

## WOOLLY GETS RECOUNT!

### The Cast

John Butitta:  
Scott Cameron:

Marcel Carbonneau:  
Don Chinnery:  
Dan Ferrow:  
Richard Price:  
Jack Shacklett:  
Michael Tsuk:

"Moonoggie" the Sorcerer (Bushytail, Misty)  
"Wolf Ironhelm" the Berserker (deceased)  
"Black Bart" the Black Knight  
"Amber Rose" the Amazon  
"Scitch" the Witch King (Ribbit! Silky)  
"Woolly" the optional Wizard (retired)  
"Sir Jordan" the White Knight (retired)  
"Fang Gulfwulf" the Berserker  
"Capt Avalon" the optional Captain (deceased)

**ERRATA:** Woolly has pointed out that I lost 7G of his and unwittingly doubled his Spell victory conditions. True, true. He also wondered about Black Bart having only 4 VPs. That's easy to explain. Black Bart and Amber Rose started in the second week and thus needed only 4 VPs (House Rule? I can't find it in the Rulebook). We also differed as to when to triple the negative numbers, but he appears to be correct there. So again..

### RESOLUTION:

CHARACTER:	GT	Spells	Fame	Not	Gold	VP
Black Bart	0/0	0/0	22/10	45/40	22-40/30	-8
Woolly	2/1	4/2	23/10	-6/20	11-11/30	-8
Fang Gulfwulf	1/1	0/0	8/20	9/20	3-23/0	-28
Scitch	0/0	0/2	-4/20	46/40	18-10/0	-30
Amber Rose	0/2	0/0	6/10	6/20	14-35/0	-31
Moonoggie	0/0	0/0	6/20	10/20	10-10/60	-37
Sir Jordan	1/?	0/?	21/?	11/?	17-37/?	?
Capt Avalon						-100
Wolf Ironhelm						-100

GT = Great Treasures, Not = Notoriety, VP = Victory Points, X/Y points got (X) versus points wanted (Y). ? = can't find VP level (never submitted or lost). Under Gold x-y/z: x = gold on hand, y = 10 starting gold + cost of starting weapon and armor, z = gold for victory point.

Under Rule 4.9, we had no winner, but Bart and Woolly are "co-victors"!
